

ASTM Standard Stainless Steel Sheet Coil In 15m And 20m Custom Rolling Widths

Our Product Introduction

For more products please visit us on metalsstainless-steel.com

Basic Information

- Place of Origin: China
- Brand Name: Sheng Quan
- Certification: ISO9001:2000
- Model Number: 201/304/304L/316/316L/321/309/310
- Minimum Order Quantity: 1ton
- Price: USD1500-USD6000
- Packaging Details: Standard Export Sea-Worthy Packing
- Delivery Time: 5-15days
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 15000Tons

Product Specification

- Hardness: Soft, 1/4 Hard, 1/2 Hard, 3/4 Hard, Full Hard
- Coil Weight: Customer Requirements
- Width: 1000mm-2000mm
- Standard: ASTM, AISI, JIS, DIN
- Payment Term: 30%T/T Advance + 70% Balance
- Length: Customized
- Physical Properties: Good Ductility For Molding Products
- Rolling Width: 15m 20m
- Highlight: **20m Stainless Steel Sheet Coil,
15m Stainless Steel Sheet Coil,
ASTM Standard hot rolled coil**

Product Description

Product Description:

Our Stainless Steel Sheet Coil product is highly versatile, making it suitable for a wide range of applications. It can be used in various industries such as chemical, petrochemical, food, automotive, and construction industries, among others.

Our Stainless Steel Sheet Coil product comes in different sizes, ranging from 1000mm to 2000mm in width. This allows for flexibility in its use and ensures that it can be tailored to meet specific customer requirements.

Our Stainless Steel Sheet Coil product is also customizable in terms of processing services. We offer bending, decoiling, punching, and cutting services to ensure that our customers get what they need.

Our Stainless Steel Sheet Coil product comes in standard export packing or as required by customers. This ensures that it is protected during transportation and arrives at its destination in pristine condition.

We offer a convenient payment term of 30% T/T advance and 70% balance, making it easier for our customers to purchase our Stainless Steel Sheet Coil product.

Overall, our Stainless Steel Sheet Coil product is a reliable and high-quality choice for those in need of a versatile and customizable steel product.

Features:

Product Name: Stainless Steel Sheet Coil

Rolling Width: 15m, 20m

Processing: Cold Rolled/Hot Rolled

Width: 1000mm-2000mm

Keyword: Hot Rolled Stainless Steel Coil, 301 Stainless Steel Coil, 304 Stainless Steel Coil

Payment Term: 30%T/T Advance + 70% Balance

Applications:

Sheng Quan is a Chinese brand that produces high-quality stainless steel sheet coils. The product comes in different models including 201/304/304L/316/316L/321/309/310. The stainless steel sheet coil is manufactured in China and has been certified by ISO9001:2000, ensuring that it meets the required quality standards.

The stainless steel sheet coil has many applications and can be used in various scenarios. It is commonly used in the automotive industry, especially for making exhaust systems, catalytic converters, and other components. The product is also used in the construction industry to make roofing, siding, and gutters. It is also used in the kitchenware industry to make sinks, cookware, and cutlery.

Another application for the stainless steel sheet coil is in the medical industry, where it is used to make surgical instruments, medical equipment, and implants. The product is also used in the aerospace industry to make aircraft parts. The product has a minimum order quantity of 1 ton with a price range of USD1500-USD6000, depending on the model and hardness.

The product is available in different packaging details, including standard export sea-worthy packing. The delivery time for the product is between 5-15 days, and it can be paid for using L/C, T/T, or Western Union. The product has a supply ability of 15000Tons and can be paid for using a 30%T/T advance + 70% balance.

The product can be processed either through cold rolling or hot rolling, depending on the application. The product's hardness can also be customized to be soft, 1/4 hard, 1/2 hard, 3/4 hard, or full hard, depending on the application. The product is a hot-rolled stainless steel coil that is available in standard export packing or as required.

Some of the specific models of the stainless steel sheet coil include the 301 Stainless Steel Coil, 301 Stainless Steel Coil, 304 Stainless Steel Coil, among others. Regardless of the model, the stainless steel sheet coil is a versatile product that can be used in many

applications and scenarios.

Customization:

Sheng Quan offers product customization services for our stainless steel sheet coil. Our models include 201/304/304L/316/316L/321/309/310, all of which are made in China and certified with ISO9001:2000. The minimum order quantity is 1 ton and our prices range from USD1500-USD6000. Our standard export sea-worthy packaging ensures safe delivery in 5-15 days, and we accept payment through L/C, T/T, and Western Union. With a supply ability of 15000Tons, we can customize the coil weight and length to meet customer requirements. Our products have good ductility for molding and undergo high-quality inspection. Processing services include bending, decoiling, punching, and cutting. Our 316 stainless steel coil is a popular choice, along with our 301 stainless steel coil. Contact us today to customize your order.

FAQ:

A: The brand name is Sheng Quan.

Q: What are the available models of the stainless steel sheet coil?

A: The available models are 201/304/304L/316/316L/321/309/310.

Q: Where is the stainless steel sheet coil manufactured?

A: The stainless steel sheet coil is manufactured in China.

Q: What is the certification of the stainless steel sheet coil?

A: The stainless steel sheet coil is certified with ISO9001:2000.

Q: What is the minimum order quantity for the stainless steel sheet coil?

A: The minimum order quantity is 1 ton.

Q: What is the price range of the stainless steel sheet coil?

A: The price range is USD1500-USD6000.

Q: What are the packaging details for the stainless steel sheet coil?

A: The packaging details are Standard Export Sea-Worthy Packing.

Q: What is the delivery time for the stainless steel sheet coil?

A: The delivery time is 5-15 days.

Q: What are the payment terms for the stainless steel sheet coil?

A: The payment terms are L/C, T/T, and Western Union.

Q: What is the supply ability of the stainless steel sheet coil?

A: The supply ability is 15000 tons.
